

# SAFER Handling Conference 2014

26th-28th May 2014 >>> Sofitel Brisbane, Australia

# CALL FOR ABSTRACTS

## AAMHP 6TH BIENNIAL CONFERENCE SAFER Handling Conference 2014

The Association is a multidisciplinary group of healthcare and OHS professions aimed at sharing ideas and prompting continuous improvement in the systems, training, equipment and assistive devices available to safely move and handle people in the health and community services environments. The theme of the 2014 Conference, **SAFER Handling** continues to build on these areas and incorporates five pillars:

- Systems and risk management strategies
- Adverse patient events (Falls, pressure and challenging behaviours)
- Facility design and environmental controls
- Equipment and assistive devices
- Research and evaluation

## ABSTRACT SUBMISSION IS NOW OPEN

The conference planning committee invite you to submit abstracts for either oral presentation, workshops or new inventors.

**Oral Presentations:** Papers will be allocated a total of 25 minutes presentation time. This will include 20 minutes for the presentation and five minutes for questions. Those abstracts not selected for paper presentation may be offered a poster presentation or display space.

**Workshops:** Workshop presenters are asked to indicate the length of time they will require to present their workshop, anywhere from one hour to four hours. Those abstracts not selected for workshops may be offered a poster presentation or display space.

**New inventors:** New for 2014, we are looking for innovations and improvements in equipment and assistive devices released to the Australian market since the last conference. Submissions with the top initiatives will be invited to present at the conference. Presentations will be allocated a total of 5 minutes presentation time, followed by 5 minutes panel questions. Those initiatives not selected may be offered a poster presentation.
